

Save space – electric silicone roller 90E33 as a table-top model

A perfect alternative for all technicians preparing cosmetic work: the compact silicone table roller saves space due to its small size and quickly mixes small quantities of HTV silicones.

Operation is quick and easy using a touch screen or the foot pedal included.

Characteristics

- integrated soft-touch control panel
- material thickness individually adjustable
- emergency-off switch
- roller dimensions Ø: 100 x 400 mm
- dimensions W x D x H: 780 x 530 x 580 mm, weight: 170 kg
